

A 100x100 grid with a header row containing the sequence 0 1 2 3 4 5 6 7 8 9 repeated 10 times. The grid contains a pixelated grayscale image of a cat's face, rendered in black, white, and gray pixels. The cat's face is positioned in the lower-left quadrant of the grid, with its head facing right. The background is white, and the grid lines are thin and black.
